Comments on course

What are the major strengths of this course?

I experienced new ways of writing that I had not before, and while I feel like I did not gain much writing skill, I got out of the box I had been stuck in, learned new rules and exceptions to those rules.

Please share any suggestions for improvement

The subject (feminist views of science) is not nearly as interesting as it sounds.

Comments on instructor - MATTHEW BADDORF

What are the major strengths of this instructor?

The instructor is familiar with the topic he is teaching and knows how to give advice that will improve every student individually.

Please share any suggestions for improvement

He should try to give readings that draw the reader in more.

Comments on course

What are the major strengths of this course?

This course helps students grow immensely as writers.

Please share any suggestions for improvement

Some of the readings should be changed and the two main topics of the course should try to be correlated as much as possible.

Comments on instructor - MATTHEW BADDORF

What are the major strengths of this instructor?

He is well prepared and extremely clear on what he wants from his students.

Please share any suggestions for improvement

He should adjust the course more towards feminism rather than just philosophy.

Comments on course

What are the major strengths of this course?

The course really pushed students to write and think about ideas in a better way.

Please share any suggestions for improvement

The course shouldn't focus too much on philosophy, but rather feminism in science.
