#### Comments:

Instructions on assignments were given but sometimes unclear. It wasn't until after the rough draft was completed that I had a better perspective of what the assignment was asking for. More readings on tips to improve our writing were given than examples, but some were still offered.

### Rapport with students - MATTHEW BADDORF

#### Comments:

Professor Baddorf always made it so that he was involved and listening to us. Whether it was in smaller group settings, bigger presentations, or even extra hours, he made it clear and helpful that he was always listening and there to help.

The exams/assignments were clearly worded.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

#### Comments:

Sometimes I had difficulty fully understanding assignments given and needed more clarity. However, the assignments were challenging and really helped improve my formal writing.

### Organization - MATTHEW BADDORF

	Not at all	A little	Somewhat	Quite a bit	A lot
Lectures / class discussions were well organized or well managed.	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>

#### Comments:

We were given specific amounts of time to work on small formal writings or to talk in small peer groups about different writing sources. At many points assignments and class activities were very relaxed.

**Comments on instructor - MATTHEW BADDORF**

**What are the major strengths of this instructor?**

He is always available and puts a lot of effort and consideration into every paper. He is easy and fast to communicate with which I think is always important for a professor to do. He always wanted to make sure we enjoyed writing and the class and didn't have to sit through it as a required course.

**Please share any suggestions for improvement**

Having better, or more prepared discussion might help the class a lot. Sometimes it was hard to discuss on topics that weren't controversial, but readings that were ways to improve writing.

---

**Comments on course**

**What are the major strengths of this course?**

The course helps increase professional writing on formal papers. It further helps on knowledge of reading formal writings and having professional responses.

**Please share any suggestions for improvement**

I would suggest having students write resumes or cover letters. Having students work on papers that are further important in life can give a better example and professional idea of how to make strong business formal papers. While formal responses are helpful in improving writing more professionally, I think also writing papers and other pieces of writing expected later on are helpful too. For example resumes, cover letters, reports, letters, etc..

**Comments on instructor - MATTHEW BADDORF**

**What are the major strengths of this instructor?**

I feel that the instructor's feedback greatly improved my assignments.

**Please share any suggestions for improvement**

I feel that the instructor could have done better at facilitating class discussions. There were several instances where the class would be entirely silent and the instructor would remain silent and stare until somebody spoke.

**Comments on course**

**What are the major strengths of this course?**

I enjoyed the topic and the assignments.

**Please share any suggestions for improvement**

I think the instructor could focus more readings on the topic of the course--the ethics of economics--rather than several readings that dealt with the minutia of writing.

#### Comments on instructor - MATTHEW BADDORF

##### **What are the major strengths of this instructor?**

He is a friendly and intelligent person, making his teaching styles effective in a college setting, and his comments on essays helpful.

##### **Please share any suggestions for improvement**

Assigning shorter or less complicated readings could be helpful. Often during discussions, there were long gaps of silence after questions were posed, which indicated to me that many people did not read or understand the readings.

#### Comments on course

##### **What are the major strengths of this course?**

The readings were, however, very relevant to the topics we were working on in the course. This reinforced the main points of the course.

##### **Please share any suggestions for improvement**

Perhaps put less of an emphasis on peer review, and more on general review. Talk more about how helpful resources like the writing center can be. More focus on theses. Also focus on adding our own voice to our papers and what we are researching.
