## Comments on course

**What are the major strengths of this course?**

**Please share any suggestions for improvement**

The course lack relevance to students intending on pursuing a science degree. It is rather unhelpful towards scientific writing.

### Comments on instructor - MATTHEW BADDORF

**What are the major strengths of this instructor?**

He is approachable and attentive to his student and works hard to make sure everyone is engaged. He's also pretty good at making "cookies" without an oven.

### Comments on course

**What are the major strengths of this course?**

Thorough analysis of/practice using several different writing styles; variety of readings on science and feminism AND writing

**Please share any suggestions for improvement**

Casual, in-class writing assignments would be helpful in terms of practicing what we learn in class before writing rough drafts.

**What are the major strengths of this instructor?**

**Please share any suggestions for improvement**

He doesn't really tell us what he wants from us so it's hard to decipher assignments for what he's looking for. And this is important because it a writing class thus our papers are graded subjectively so when we don't know what he wants, we get poor grades.
