Comments on instructor - MATTHEW BADDORF

What are the major strengths of this instructor?

Please share any suggestions for improvement

Since he is teaching a course on money and morals, it would be helpful for him to understand more about the economic side. I found that he tended to focus on the philosophical and moral aspect quite a bit more.

Comments on course

The course wasn't helpful. The majority of the papers and assignments were a review of material that I previously learned in high school.

Comments on instructor - MATTHEW BADDORF

What are the major strengths of this instructor?

He is a good professor who cares for his students and tries his best to help.

Please share any suggestions for improvement

Maybe more different ways of teaching to spark interests in students. I didn't feel like my writing was improved after this class at all. The comments back from the essays were not helpful.

Comments on course

What are the major strengths of this course?

It was a lot of information and knowledge.

Please share any suggestions for improvement

The class was boring.. and it is hard to follow through. The topic could be more interesting if presented in a different way,
